Dear Mr. Will McLay,

Please accept this letter as formal notice of dismissal from the Combat Survival/ Commando Krav Maga (CKM) organization dated on the 1st of March, 2008.

Although your certificate was due to expire on March 22, 2008, we have no choice but to dissolve our relationship with you immediately due to your unauthorized activities related to Commando Krav Maga (TM pending), and unethical conduct including libelous and defamatory remarks made against myself, Moni Aizik (also refereed to as Moni Isaac) and the CKM organization on your unauthorized website, www.commandokravmaga.com.au/.

Please be advised that you are officially no longer associated with Commando Krav Maga, Combat Survival, or any of our other affiliated group of companies. As such, you are not authorized to teach Commando Krav Maga nor use any of the logos or names associated with Combat Survival Inc including but not exclusive to Combat Survival (TM pending), Commando Krav Maga (TM pending), CKM logos (TM pending) and Elite Combat Fitness (TM pending) for commercial use.

Unauthorized commercial use includes, but is not exclusive to:

- Distribution of clothing and apparel bearing any of our marks or logos.
- Teaching under the Combat Survival and CKM names
- Use of our marks and logos on any type of media (Advertisements, Banners, Websites, DVDs, CDs, Videotapes, etc.)

I must ask that you immediately remove your current website www.commandokravmaga.com.au as it infringes upon our trademarked name(s) and change the name of your self-defense system so that it does not reflect the Commando Krav Maga names and logos.

Please note that I have delegated full authority to Mr. Graham Healy, Director of Commando Krav Maga Australia, to follow up this matter legally and with expediency.
