TERM MEMBERSHIPS

Term memberships cover first half and second half of year **TERM 1 (from Feb to end May)**

TERM 2 (From July to November)

In between times such as the 'gaps' between terms can be covered by visit passes .

also the balance remaining on visit passes can be 'traded' up to Term memberships, in other words whatever balance remains on you visit pass can be used as a deposit against your Term memberships so that there is a smooth transition in between.

TERM 2

(17 weeks)

(TERM 2) = 17 weeks x 2 sessions per week = 34 sessions x \$12 = \$408	} (can deposit \$150 bal \$150 in 2 weeks)
discounted \$-108	
<u>Balance \$300</u> (up front)	

*comparisons with visit pass average price @ \$12 per session (ie 10visits \$120)
\$300/34 sessions = \$8.22 per visit compared with \$12 per visit = \$12-\$8.22 = \$3.18 saved = 26.5% saved

FAMILY PASS

(TERM 2) = 17 weeks x 2 sessions per week = 34 sessions x \$12 = \$408	} (can deposit \$250 balance \$250 in 2 weeks)

<u>Balance \$300</u> (1 st person)	
less 50% + \$150 (2 nd person) Free (3 rd person)	
<u>Total Family Term Membership \$450</u>	

*\$450/34 sessions = \$13.23 per session compared to \$16.50 per visit of 20 visit pass (20visits for \$330)
\$16.50-\$13.23 = \$3.27 saved per visit = 20% (rounded up)
